Subpart E—Other Federal Requirements

§572.400 Consolidated plan.

Applicants must provide a certification of consistency with the approved consolidated plan, in accordance with 24 CFR 91.510.

§572.405 Nondiscrimination and equal opportunity requirements.

In addition to the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5, the following requirements apply to homeownership programs under this part:

(a) *Modification of fair housing and nondiscrimination requirements for Indian tribes and IHAs.* (1) The Indian Civil Rights Act (25 U.S.C. 1301 *et seq.*) applies to tribes when they exercise their powers of self-government. Thus, it is applicable in all cases when an IHA has been established by exercise of such powers. In the case of the IHA established pursuant to State law, the applicability of the Indian Civil Rights Act shall be determined on a case-by-case basis. Development subject to the Indian Civil Rights Act must be developed and operated in compliance with its provisions and all implementing HUD requirements, instead of title VI and the Fair Housing Act and their implementing regulations.

(2) In the case of Indian tribes and IHAs, compliance with the requirements of this section shall be to the maximum extent consistent, but not in derogation of, the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)).

(b) *Affirmative fair housing marketing.* The recipient must adopt a strategy for informing and soliciting applications from people who are least likely to apply, because of race, color, religion, sex, disability, familial status, or national origin, for the program without special outreach, consistent with the affirmative fair housing marketing requirements. (See 24 CFR 92.351 for an example of an affirmative strategy.)

Paragraph (b) of this section does not apply to Indian tribes and IHAs, as described in paragraph (a)(1) of this section.

(c) *Authority for collection of racial, ethnic, and gender data.* HUD requires submission of racial, ethnic, and gender data under this part under the authority of section 562 of the Housing and Community Development Act of 1987 and section 808(e)(6) of the Fair Housing Act.

(d) *Requirements applicable to religious organizations.* Where the applicant is, or proposes to contract with, a primarily religious organization, or a wholly secular organization established by a primarily religious organization, to provide, manage, or operate housing under the program, the organization must undertake its responsibilities under the homeownership program in accordance with the following principles:

(1) It will not discriminate against any employee or applicant for employment under the program on the basis of religion and will not limit employment or give preference in employment to persons on the basis of religion;

(2) It will not discriminate against any person applying for housing or other assistance under the program on the basis of religion and will not limit such assistance or give preference to persons on the basis of religion;

(3) It will provide no religious instruction or counseling, conduct no religious services or worship (which term does not include voluntary, non-denominational prayer before meetings), engage in no religious proselytizing, and exert no other religious influence in the provision of assistance under the homeownership program.

§572.410 Environmental procedures and standards.

(a) *Planning grants.* HUD has determined that its approval of applications for planning grants under this part is categorically excluded from environmental review and compliance requirements of the National Environmental Policy Act of 1969 (NEPA) and that other Federal environmental laws and

§ 572.415

24 CFR Ch. V (4–1–03 Edition)

authorities listed in 24 CFR 50.4 are not applicable.

(b) *Implementation grants.* (1) Recipients of implementation grants must comply with the applicable environmental laws and authorities at 24 CFR 50.4 and must:

(i) Supply HUD with information necessary for it to perform any necessary environmental review of the property (or neighborhood);

(ii) Carry out mitigating measures required by HUD or select alternate eligible property; and

(iii) Not acquire or otherwise carry out program activities with respect to any eligible property until HUD approval for the property (or neighborhood) is received.

(2) Before any amounts under this part are used to acquire or rehabilitate an eligible property, HUD must determine whether the proposed activities trigger applicability thresholds for the applicable Federal environmental laws and authorities. These may apply when the property is:

(i) Located within designated coastal barriers;

(ii) Listed on, or eligible for listing on, the National Register of Historic Places; or is located within, or adjacent to, an historic district;

(iii) Located near hazardous operations handling fuels or chemicals of an explosive or flammable nature;

(iv) Contaminated by toxic chemicals or radioactive materials;

(v) Located within a runway clear zone at a civil airport or within a clear zone or accident potential zone at a military airfield; or

(vi) Located within a special flood hazard area or within a location requiring flood insurance protection.

(3) A recipient may choose to make the threshold reviews itself or with assistance from State or local governments or qualified persons or to refer the property to HUD for threshold review. Where the recipient makes the threshold review itself, it must submit the result to HUD.

(4) If a recipient chooses not to make the threshold reviews, it must submit information to HUD to permit HUD to make the review.

(5) If HUD determines on the basis of the recipient's threshold review or

HUD's threshold review that one or more of the thresholds are exceeded, HUD will conduct an environmental review of that issue and, if appropriate, establish mitigating measures that the recipient must carry out for the property unless it decides to select an alternate property.

§ 572.415 Conflict of interest.

(a) *Conflict of interest.* In addition to the conflict of interest requirements in OMB Circular A-110¹ and 24 CFR part 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or cooperating entity named in the application and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter, except that a resident of an eligible property may acquire an ownership interest.

(b) *Exception.* HUD may grant an exception to the exclusion in paragraph (a) of this section on a case-by-case basis when it determines that such an exception will serve to further the purposes of the HOPE 3 program and the effective and efficient administration of the local homeownership program. An exception may be considered only after the applicant or recipient has provided a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict, a description of how the public disclosure was made, and an opinion of the applicant's or recipient's attorney that the interest for which the exception is sought would not violate State or local law. In determining whether to grant a requested
